Spirit EV: Learn about our patented EV system, licensing opportunities, and OEM deals

Hospitality: Enjoy premium hospitality throughout the day

Why Attend? RBW is a registered worldwide manufacturer of hand-built EVs, with facilities in the UK and US and showrooms in London, Hong Kong, and Bermuda. In November 2024, we launched Spirit EV, a wholly owned subsidiary focused on licensing its patented EV systems to manufacturers, already securing OEM agreements and revenue flow.

Our vision: 300 RBW cars & 2,000 Spirit EV systems annually by 2030, targeting a \$500M+ valuation.

Since our inception in 2016, RBW has been at the forefront of EV innovation, and we now invite investors to join us as we capitalize Spirit EV with a £10M raise.

**Reserve Your Place;** This is an exclusive, invite-only opportunity. Secure your spot now and be part of the future of sustainable luxury EVs.
